

Child Care Business Loan Project Plan

Business Name

Contact Name

Phone Number

Email Address

Overview

Please describe your planned project or equipment investments

Goals

Please describe how this project will improve your business and your ability to serve children.

Project Budget

For equipment investment, please list your planned purchase(s) for this project, including the estimated cost. If your planned project involves hiring a contractor or other skilled professional, please include an estimate completed by the contractor.

Planned Purchase	Quantity	Estimated Cost

Total Estimated Cost _____

Timeline

Please list a few achievements that will measure the progress of your project and when you expect to reach them. The date does not need to be specific, but if it makes it easier, assume you are funded 30 days from today.
